POLICY

1. School profile

Sunbury Primary School can trace its origins to 1869 as the first school in the local area. It was relocated in 1999 to Jacksons Hill on the southern boundary of the township of Sunbury, located approximately 35 kilometres northwest of Melbourne, within the city of Hume.

The school explores a range of classroom structures (i.e. composites) based on cohort enrolments. Specialist programs operate to support school priorities and include The Arts, Physical Education, STEM, the Stephanie Alexander Kitchen Garden and Languages - Japanese. To further support student learning the school is involved in various networks with a focus on teaching excellence. The community is ethnically, culturally and socio-economically relatively homogeneous. The School Family Occupation index of the school is 0.31.

The school is housed in refurbished, heritage-listed bluestone and weatherboard buildings. Children access school facilities that include traditional classrooms, specialist art and music facilities, library, hall, STEM Centre and kitchen facilities to support the Stephanie Alexander Kitchen Garden program. Landscaped grounds feature historically significant trees and a horticulture centre. The playground facilities include an oval, soccer field, basketball court, passive recreation areas and play equipment including an industrial playground matched to the different physical and social stages of development. The school recently completed a Capital Works project with two additional purpose built buildings completed in 2021, and further Capital Works planned for 2022 and 2023.
